Major Miles M. Martin, chairman of the City Democratic Committee, yesterday morning issued a call for a meeting of that body for Friday night, May 9, at 8 o'clock, at Murphy's Hotel. Sentiment in the committee is much divided, although the advocates of the proposition for a referendum claim they have a majority of members pledged to vote for submission. Those in opposition say there is nothing definite to vote on the submission. nite to vote on-that while a citize might favor annexation, he could reasonably be afraid to vote for a general plan without knowing to what limits the Council might go, and that on the other hand, those who oppose annexation will have nothing to fight, since the Council committee has adopted no plan, and the printed maps are merely tentative—a starting point. Interest in the annexation matter Interest in the annexation matter friends of various candidates and it difficult to get the attention of the voters, who are talking of the new matter that may appear on the ballots at the June primary.

Club Voted It Down.
It turns out that a vote on the proposition taken by the West End Citizens' Association at the meeting held last Thursday night resulted in a ma-jority against it. Davis Bottom of-rered a resolution asking the city committee to refer annexation to the people at the primary. On a vote, it was laid on the table, which was taken to mean a majority did not favor it. Its author may call it up again at a
